VOL. 11, No.1

DECEMBER, 1966

1966 saw gatherings of Old Boys take place in several cities in addition to the Annual Dinner at the School. J. K. Macdonald, Chairman of the Board of Governors; J. Robert Coulter, Headmaster; and Jim Hamilton, Director of the Foundation and Secretary of the Old Boys Association, attended and spoke to each group about St. Andrew's affairs.

On April 18 in Montreal, 48 including 6 fathers of boys presently at the School, gathered at the Montreal Badminton and Squash Club for an excellent dinner organized by George C. MacDonald '32. Unfortunately our cameraman had difficulties and no pictures are available.

The Vancouver Club was the scene of another delightful evening September 26 when Clarence Wallace '12, was host in his own inimitable fashion to a group of 26 Andreans.

Seen below are half! of Clary Wallace, Gordon Robertson '55 and John Ramsell '53; (bottom photo L to R) Chris Wansbrough '50, Tom Hethrington '35, Claude Leckie '15 and Andrew Milne '57.

Harry Irving '43 mustered 15 at the Petroleum Club in Calgary on September 27. Seen at the dinner table are (clockwise) Bob Coulter, Lackie MacNeill '26, Rich Howson '47 from Edmonton, Bob Waller '32; (below) Bob Montgomery '45, Bill Yuill '19, C.L. Bjork, father of Jim Bjork '64 next to him, Tom Turner '65 (back to camera), and his father C. W. Turner.

In London, October 12, 24 Old Boys and 1 father came out to a dinner arranged by Jim Good '41, at the London Hunt & Country Club.

The Annual Dinner for the Toronto area was held in the Great Hall on November 5, with 137 in attendance. We were happy to welcome many from out-of-town points, including Sudbury, Cleveland, Pittsford, N.Y., Ottawa and Montreal. The Reverend Richard D. Jones, Executive Director of the Canadian Council of Christians and Jews, proved to be a highly entertaining speaker, in addition to providing thought provoking views on the world around us.

The Head Table (L to R) John Cowan '57 Dinner Chairman; Phil Garratt '10, Chairman of the St. Andrew's College Foundation; Jim Lightbourne '11, Bob Coulter, Headmaster; Rev. JUNE BALL
FRIDAY JUNE 16th

"JUNE BALL" A HUGE SUCCESS

One of the outstanding events of this past year at the School was the "June Ball" sponsored by the Ladies Guild. The Andean feels that it deserves special mention and is pleased to publish the report of the Project Convener, Mrs. Gage H. Love.

"It gives me a great deal of pleasure to present to you a report of the JUNE BALL held at the College on Friday, June 24th. All of you who were present will agree that it was a most happy occasion. To those of you who were not present - plan to attend our next one!

Festivities commenced under warm, sunny skies around 6.30 - when the cocktail hour commenced. Music was provided by Pipe Major Stewart - and the volunteer Barmaids were swept off their feet selling tickets. We were piped into the Great Hall at 8 p.m. where a delicious buffet was waiting for us - Mr. Stewart and his staff were responsible for this delectable feast - how they ever kept the jellies "jellied" in the heat is an absolute miracle. Music was provided during dinner by Mart Kenny and his orchestra. The Great Hall by flickering candlelight was an unforgettable sight - with each table centred by flowers, candles and wine.

Immediately after dinner, the Pipes and Drums of the 48th Highlanders of Canada struck up - and we were off! The original plan was to return to the Great Hall (after it had been cleared) to dance - but the heat was frightful! Several members of the committee held a small emergency meeting, and somehow arranged for Mart Kenny and his orchestra (and his piano) to come outdoors! So the remainder of the evening was spent dancing under the stars. Men's coats were discarded - as were women's shoes - and we danced to the skirl of the pipes - and and to the wonderful, really danceable music of Mart Kenny until the wee small hours of the morning!

Now, to return to earth, after all, the purpose of the Ball (besides having fun) was to raise money for the St. Andrew's College Foundation and I am delighted to present the following financial report. Before I do, may I, on behalf of the Ladies Guild, thank Mr. Jack Bennet for handling all our finances.

Total Receipts	\$3,182.59
Total Expenditures	1,112.79
Net contribution to Foundation	\$2,069.80

As you well know, all this could not have been possible without a great deal of time and effort being given by many people. It would be impossible to name them all, however, special mention must be made of some - Mr. Stewart, Chief Steward and Staff; the School electricians, engineers and gardeners - all so co-operative and cheerful, a delight to work with; The T. Eaton Company for figures and flags; Aurora Greenhouses - greenery for fireplace; Mr. Bennet, again, every problem seemed to land in his lap - moving the orchestra outdoors added gray hairs to his head - and took care of so many of the details that make or break party like this. Last, but by no means least, your June Ball Committee. Plans for the Ball began in January, and through all the meetings and emergency meetings, every member of your Committee was at all times most co-operative - perhaps the one who worked the hardest was your President.

I greatly enjoyed the opportunity of working with this wonderful committee. The co-operation shown by all of them and by everyone connected with the School made all the effort well worth while - an effort that we are ready and willing to repeat - on the next June Ball!"

SCHOOL NEWS

ACADEMIC

Grade 13 results in 1966 were the best ever recorded for S.A.C. 97% of papers written being successfully passed. Three boys were Scholarship winners and four more obtained First Class (75%) or higher averages. Thirty-three of thirty-seven graduates entered university plus 11 from Grade 12. DOUGAL M. BICHAN was awarded the Geoffrey P. E. Clarkson Scholarship and the Pat Strathy Memorial Scholarship in Mathematics, Physics and Chemistry at Trinity College, in addition to an Ontario Scholarship. FABIO J. GUZMAN and DAVID M. SANGER were awarded Ontario Scholarships.

ATHLETICS

This year's First Football Team did not cover itself with glory, but the Seconds had a creditable record winning their L.B.F. games with U.C.C. and Ridley, but losing to T.C.S. Hats off to the Thirds, a spirited and determined band of warriors, coached by Mr. Kamcke, who chalked up an undefeated season of ten games including the L.B.F. Championship.

Five Soccer teams performed this Fall. The Firsts won 6 and lost 4 games; the Seconds won 6, lost 1 and tied 1; three Under 15 teams proved there is a growing interest in Soccer at St. Andrew's. For those not involved with School teams, the House League provided keen rivalry and lively competition.

STAFF NEWS

The following masters have left St. Andrew's and we wish them the very best:

JIM ALLEN, who taught English since 1960 at St. Andrew's, is now Headmaster of his own school in Muskoka. TIBOR BOZZAY, at St. Andrew's since 1960 teaching Modern Languages and Fencing, is now teaching in Toronto.

JAMIE MAINPRIZE joined the academic staff at St. Andrew's in 1962 and taught History and French. He has now returned to university where he is working towards his Ph.D. He will be greatly missed in the Drama Department.

We are pleased to welcome the following new masters at St. Andrew's:

ANNUAL REPORT S.A.C. FOUNDATION

The First Annual Meeting of Members of the St. Andrew's College Foundation was held on Thursday, October 27, at the Staff House of the Confederation Life Association. The following is the Report of the Trustees.

"This report of the Trustees of the Foundation is for the twelve months ending June 30, 1966. the first full year in which it has had the services of a full time Executive Director.

Much of the year was devoted to an assessment of the Foundation's aims and objectives, possible sources of income, its method of operation, and the organization necessary to attain its objectives. This phase of activity was undertaken by the Membership Committee under the Chairmanship of Mr. Gage H. Love.

To acquaint all those having some connection with St. Andrew's about activity at the School and the work of the Foundation, publication of "The Andrean" was sponsored and three issues distributed throughout the year.

A long-range program was eventually decided upon, with a goal of \$1,650,000 to be sought over the ten-year period commencing in 1966 from Old Boys, parents and other friends of the School, through annual membership coupled with an appeal for bequests to the School. This program got under way in May in the Toronto area and will be extended to other areas throughout Canada and the world as rapidly as willing volunteers can be found to carry it out. Ninety-four individuals are involved in the Toronto solicitation.

Shown below is the Statement of Assets and of Income and Expenditures, together with a breakdown of the source of memberships for the year ending June 30, 1966. It can be stated insummary that in the year under review, the School received the net income from the Endowment Fund intact including income designated for special purposes and contributions for special scholarships; expenses of the Foundation have been met; capital funds increased by \$1,400; and \$10,000 made available towards payment of bond indebtedness, leaving a balance of funds in general bank account of \$3,000. An additional amount of \$5,500 was turned over to the School from the Building and Scholarship Fund.

While the results of the Foundation activity for the year offer a degree of optimism, it must be pointed out that only \$15,000 was available to the School at June 30th to meet its commitment of \$52,000 in bond principal and interest. Thus at that date, a shortage of \$37,000 existed, with another \$51,000 approximately to be found by June 30th, 1967. It is obvious that even the minimum objectives can be reached only by whole - hearted support from all those who have an interest in St. Andrew's College."

DONALD ROWAN

It is with deep regret that we record the death of Donald Rowan on November 28, 1966. Don attended the School from 1932 to 1936, and was a member of the Board of Governors for the past five years. At St. Andrew's, he was a prefect and prominent in athletics as well as in the classroom. He was a member of the First Cricket Eleven for three years, First Football, Captain of the Swimming Team, and awarded the Lieutenant Governor's Bronze Medal. At the University of Toronto, he was on the Intercollegiate swimming and water polo teams.

During World War II, Don enlisted in the Royal Canadian Army Service Corps, leading his class in training. Later he transferred to the R.C.A.F. for pilot training, reverting in rank from Captain to Flying Officer to do so, and gained his wings in 1945 with the war ending before overseas assignment.

Returning to civilian life, he joined Direct Winters Transport and later became General Manager. In 1954 he established a General Motors dealership in Willowdale until illness caused him to withdraw gradually from management. Despite failing health, he gave generously of his time and energy to the affairs of the School, and to the Multiple Sclerosis Society, of which he was founding President, Ontario Division.

Also Old Boys of the School are two of his sons, DOUG '61 and BOB '63.

To his wife, Marion, and the members of the family, the ANDREAN extends the sincere sympathy of the staff and students of the School, and the Old Boys Association.
